## Pastor's Bio

Pastor Leonard M. Wilson was born and raised in Jacksonville, FL. He graduated from the local High School in Jacksonville and went into the United States Armed Forces. Pastor Wilson later went on and was baptized in Jesus Name and received the Holy Ghost. Pastor Wilson was under the leadership of Apostle James Brant at Zarephath Tabernacle.

Pastor Wilson was married by Apostle James Brant in September 2000, to his wife, the former Sherell Wescott. Pastor Wilson has three sons, two daughters, and a son in the gospel Michael Etchinson Jr. He has a heart for street ministry and currently is attending the Monroe Bible Seminary in Monroe, GA. He was licensed in 2003, as a licensed Minister, then in 2006, as an ordained Elder. On July 2, 2010 he was appointed as District Elder of the Church of God and True Holiness, Inc. for the State of GA.

Pastor Wilson moved to the outskirts of the Metro Atlanta area in 2007, and is the founder of Renewed Hope Christian Assembly, Inc. He is a pastor that desires to see souls saved and lives changed through the power of God. Pastor Wilson serves the community and recently implemented a program for those that are homeless and on probation called "The Renewed Home". This program is operated in Walton County GA., with the help of his spouse, and other members in the church.

The vision God gave to Pastor Wilson for Renewed Hope Christian is to have a bible seminary, which Renewed Hope is currently a campus for Monroe Bible Seminary, taught by Dr. Donald Brett, of Mercy University. The vision also consists of programs to assist with Adult Education, After School Programs, Teen Mentoring, and Supportive Employment. His goal as a leader is to embrace the community and minister to the whole man through the power and anointing of God.
